

Peach soup

Ingredients

Fisheries (1-2 / people)

Sugar (0.5-2 C.S. / fishing, according to their maturity)

Water

Preparation

Cut the peaches into pieces, and place them in a saucepan.

Add water (up to 3/4 of the height of the peaches in the pan).

Add the sugar.

Cook 20 min after boiling.

Mix (with a hand blender).

Let cool in the fridge for 6 a.m.
