

Peach Soup

Ingredients

Peaches (1-2 / people)

Sugar (0.5-2 tbsp/peach, depending on their maturity)

water

Preparation

1. Cut the peaches into pieces, and place them in a saucepan.
2. Add water (up to 3/4 of the height of the peaches in the pan).
3. Add the sugar.
4. Leave to cook for 20 minutes after boiling.
5. Mix (with a hand blender).
6. Leave to cool in the fridge for 6 hours.
