

# *Strawberry Sorbet*

## *Ingredients*

800 g strawberries

250 ml of water

345 g of sugar

## *Preparation*

Dissolve the sugar in the water in a saucepan over low heat, stirring occasionally. When the sugar is well dissolved (this makes a syrup) turn off the heat and let cool.

Wash the strawberries, mix them with the syrup.

Churn in an ice cream maker (this takes around 50 minutes)
